# INSTANT SIZER

**STEP 1:** To ensure that this sizer is printed to the proper scale, make sure that your credit card fits perfectly within the box below. You can also measure between the lines.

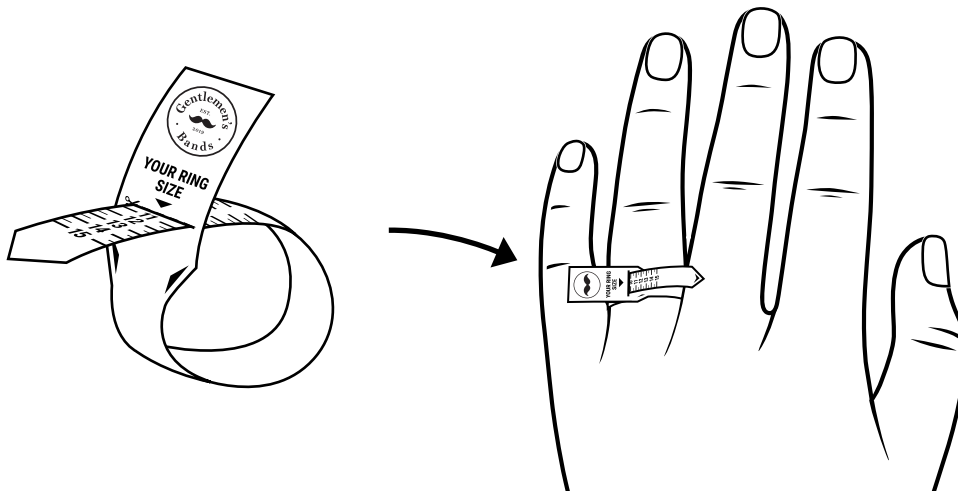

**STEP 2:** Cut out the **Instant Sizer** below and the small slit under the your ring size arrow.

**Tip:** Pull the sizer snugly but not too tight. Your ring must slide over your knuckle.

**STEP 3:** Wrap the sizer around the widest part of your finger and slide the point through the slit and pull it snugly. That's it... you have your size.

Remember we always except **exchanges** and **returns** also!
